THE COMPLETE RETURNS

to-The Total Vote, 292,146-Cleveland's Majority Over All, 35,970.

The State Board of Canvassers, con sed of the Governor, Secretary of the mmonwealth, Attorney-General, Auditor of Public Accounts, and State Treawill meet at the Capitol next Monday to canvass the returns from the election recently held in Virginia for presi dential electors and members of Congress. The tabulation of the vote for the electors of the four parties has not been completed, the returns from some of the counties having only come in yesterday's mail, but the Disparch has taken the pains to go over the county and city certificates, and presents the result to its readers this morning. It will be observed that some of the County Commissioners made no report of the votes for Weaver or Bidwell. According to the returns the total vote of the State was 292,146; Cleveland's majority over all competitors 35,970.

There were a number of scattering votes in nearly all of the districts, but these are not taken into consideration in the above. It will also be observed that there was a discrepancy in the names of the People's-party candidates voted for in two or three districts. Only the correct name with the largest vote is counted in the calculation of majorities. It is for the State board to determine whether the technical errors shall be overlooked.

All Around the World.

All Around the World.

Jules Verne's famous story "Around the World in Eighty Days" has been dramatized, and will be presented at the Theatre Wednesday and Thursday nights and a Thanksgiving matines. All the scenery is carried by the company and a gorgeous production is promised. Arnold Kirally has charge of the ballets. The mention of his name is sufficient to guarantee something exceptional. His grotesque dancing is a strong feature. The company is large and well drilled, and comes directly from the North, where they have been playing to enthasiastic autiences. This will be one of the best spectacles of the season.

BLOOD POISON. Mr. Nash's Lecture at St. John's.

St. John's Brotherhood is offering a fine treat for Thanksgiving night in the lecture of the Rev. Mr. Nash in St. John's Sunday-school building. His subject suggests the humorous aspect which is will give to his late European travels. "Sca-Pie" and "Continental Goose" are vertisable parts of the steamer bills of fare. His "Holiday Menu" will be a rich and racy resast of reason to his audience. He is a shrewd observer and except in a builty to recount his experiences in an entertaining way. Mr. Robert R. Prentis, presidential elector for this district, is a candidate for the position of United States Attorney for the Fast rn District of Virginis, and is endorsed by rentlemen of prominence in various sections of the State. Of Mr. Prentis's ability and fitness for the position there is no doubt. He is a learned lawyer, a man of irreproachable character, and was a diligent worker in the past campaign, as he has been for years. The redeemed Second Congressional District desires recognition at the hands of the incoming administration, and no better man can be found for District Attorney than Mr. Robert R. Prentis.

The contest for the Suffolk postmastership is becoming a little spirited, and petitions have been circulated on behalf of Mr. J. E. Booker, editor of the Herald, and Captain E. B. Britt. Mesers. J. F. Stewart and M. F. Lloyd have also been mentioned in connection with the position. It is probable that a primary election will be held to select a gentleman for the position.
